Sports Booster Positions

Sport Representative

Act as a liaison between the sport booster organization, your coach, and parents. At the fall, winter, or spring sports night introduce yourself to your team parents so they know you are the booster contact. Communicate with parents about Booster activities and assist with booster fundraising efforts (fall discount card sale, organize a team donation for the winter auction, coordinate concession volunteers as assigned, and organized one team dinner each season whose proceeds go to the booster organization). Attend monthly booster meetings. Each sport at Mount Pleasant High School and West Intermediate is entitled to one (1) vote if the sports representative has attended 50% of the meetings in one year. Make sure your coach follows the Funding Appropriations Policy regarding requests for financial support from the Boosters.

Member-at-Large

A Member-at-Large is an individual who wishes to be actively involved and supports the goals of the Mount Pleasant Oilers Athletic Boosters, Inc. but he/she is not directly tied to a sport. Members-at-Large have voting rights if they attend 50% of the organization meetings. Members-at-Large are required to sit on at least one committee to retain voting rights. Members-at-Large required voting approval of a majority of the booster organization voting membership.

Volunteer member

A volunteer member is an individual who wishes to volunteer their time (e.g. concessions, 50/50, events, etc) and supports the goals of the Mount Pleasant Oilers Athletic Boosters, Inc. but do not have voting rights. Volunteer members do not require a majority approval since they do not have voting rights and cannot hold an Executive Board office.

Chair/Coordinator Positions

Fundraising Chair

The SB organization is very fortunate that we have outstanding chairpersons for our fundraising so this position currently does little to supervise the individual event chairpersons. However, the Fundraising Chair is the “go to” person for the fall fundraiser, concessions, and winter auction chairpersons if needed. The Fundraising Chair also keeps an eye out for new fundraising opportunities and investigates those brought by organization members (e.g. compiling a list of the restaurants in town that offer team dinner percentages back to the SB organization).

Concession Coordinator

Responsible for maintain concession inventory. Makes sure each concession area is in good shape and if there are issues takes them to the Athletic Director and SB President so they can be resolved. Works with the concessions committee to create documentation for and separate instructions/guidelines for Reps coordinating individual athletic events.

50/50 Coordinator

Coordinates 50/50 program for the SB organization. Monitors 50/50 sales volunteers for athletic contests through SB sport representatives. Trains volunteers if necessary. Obtains the 50/50 tickets; coordinates the selling process and where the supplies are kept; decides how many people are needed per event; keeps an accounting of: monies raised and how winner is drawn and announced.

Fall Discount Card Sale Coordinator

The SB organization is very fortunate that we have an outstanding fall fundraising coordinator. The fall discount sale coordinator organizes a team of volunteers to run the sale effectively. This position is responsible for working with the discount card company to develop the businesses on the card, approving the card, and organizing the blitz night, fall sales, and collection of monies..

Winter Auction Coordinators

The SB organization is very fortunate that we have two outstanding winter auction coordinators. These coordinators work with the winter auction team to document all the steps of the annual winter auction, including an event timeline; lists of who helps and how; when the facility is booked; food selection and pricing; room set up and decorations; gift/item solicitation process; sorting of items; silent and live auction decisions; banking contact and arrangements; cash raffle information; ticket orders; special events at the auction; activities the day of the event; bid sheets and more. The coordinators maintain a notebook of the auction process from setting the date to thanking the donors.
